

## MED2IaH - NEWS January 2022

### MED2IaH project achievements 2020 - 2021

In this overview we would like to summarize the achievements of Med2Iah project since the beginning of the project. 12 partners from Morocco, Tunis, Egypt, Jordan, Lebanon and 5 partners from EU-Slovenia, Italy, France, Spain are working closely together to strengthen international and intercultural activities that promote the internationalization at home and with the involvement of more stakeholders the universities are becoming more international.

**Towards Internationalization at Home (MED2IaH)**  
**Erasmus+, Capacity building in Higher Education (CBHE)**  
 No of the project: 610107-EPP-1-2019-1-SI-EPPKA2-CBHE-JP  
 Duration: 15 January 2020 – 14 January 2023, 36 months

#### Online MED2IaH conference session: Challenges for internationalization: online education without social distance

On 29-30 October 2020 MED2IaH co-organized the online conference (Pegaso International Conference PIC2021, <https://piconf.net/>) and it challenged the topics of multicultural societies as well, including from the aspects of economy and coexistence, especially in the EuroMed region.

#### Webinars and roundtables

From February to April 2021 we developed and implemented 4 Webinars (Internationalization of formal curriculum; Global skills development in a local context; Virtual mobility; Campus diversity and intercultural engagement), full report [LINK](#). On those topics, each of 12 SouthMED universities organized 2 roundtables. In webinars we had 1294 participants, mainly academic and administrative staff, and 2108 participants (university staff, students) at roundtables. Full report [LINK](#).

**E-learning platform (10 courses).** We created the MED2IaH e-learning platform [elearningproject.eu](http://elearningproject.eu), where all webinars and other courses are available open access, 10 courses all together. You are invited to join and learn the topics on internationalization.

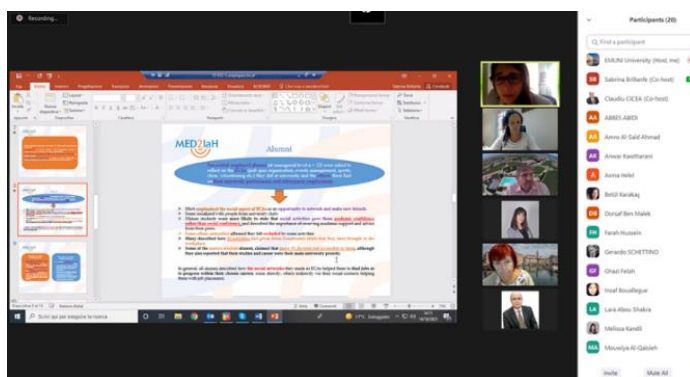

**Study visits: Slovenia, France, Spain, Italy**

In the beginning of September 2021, we achieved to organize the first study visits in Slovenia and we discussed with partners the role of project offices and international relation offices (credit mobility) at universities.

Those topics will be further developed also at next study visits in France, Spain and Italy and will build capacities to establish and establish such offices at partners universities.

**Self-evaluation tool, SWOT, univ. strategic and action plan on internationalization**

Since the beginning of the project Med2IaH, our work was focused on the data collection and each partner university prepared a self-evaluation on internationalization, the SWOT analysis and the strategic and action plan 2021 – 2023.

**Dissemination events and Erasmus days 2021 activity**

Within the project, all partners organized many dissemination events and we participated also at Erasmus days, on 14 October 2021, record of the event is available [HERE](#).

## Digital Storytelling Contest and International Student Camp in Slovenia, June 2022

In December 2021 we launched the call for *Digital Storytelling Contest*. In order to prepare

students to the topics of the competition, three on-line courses related to Intercultural digital storytelling are available on the e-platform - open access; <https://elearningproject.eu/all-courses/>. We invite students and teachers/mentors to follow this on-line training. Winners of the competition in digital storytelling (3 students from each 12 SouthMED universities) will participate to an international camp in Slovenia (June 2022).

EMUNI is extending the call Digital Storytelling Contest also to other universities in the MED2IaH partner's countries and EMUNI network. [LINK](#)
